Dear June,

Well, this is really quite a week with us around here. Besides our required work, the Forensic Club is presenting their three plays Wednesday morning to the school and that night for the public. The plays and their characters are as folows: "The Elevator." Weymouth Rothgeb, John Rothgeb, Dickie O'Brien "Boots" Carter and Jane Holt "Sparkin." Edna Gregory, Lucy Perdue, Ruth Slagle and Bobby Barger; and "Cracked Ice," Teddy Mitchell, Ronnie Lewis, Carrie Inge Betty Robinson and John Ivey Holland. We hope they will be quite successful. At the night performance the plays will be judged to see which one will compete in the District meet. Tuesday and Friday nights we have our regular basketball games. However, these are our last games of the season, and for many players their last games at A. H. S. On the boys' team, Teddy Mitchell, Jerry George, Pete Baber John Rothgeb, and Ronnie Lewis will play their last. For the girls' team we have Edna Gregory, Lucy Perdue, Nancy Doss, and "yours truly." I can sure say for all of us seniors, these years playing basketball at A. H. S. have certainly been great add enhanced our enjoyment of school life. Tonight the teams journey to William Campbell, where they hope to chalk up a victory. Then Friday night we play Altavista here at our gym.

I was told today that Mrs. Brown will be back with us March 1st. She is getting along fine, but we sure miss her. However, Mrs. Runkle has been doing grand with coaching and Mrs. Spencer taking our our gym classes.

Today at school we had our regular club program. The following clubs met: Jr. Music, Sr. Science and S .C. A.

During the Science Club meeting the students had their usual business, followed by several movies pertaining to their work.

The Spanish classes had the privilege of seeing a short movie concerning many interesting things about Mexico today. They were very grateful to Mr. Caldwell for making this possible.

This concludes the local happenings around A. H. S. for this time. Be looking for more news next week. 'Til then,

Jane.

Livestock Short Course Planned For March 1-3

Livestock producers will be brought up to date on virtually every phase of management and marketing and will hear discussions on such new programs as "record-of-performance," at a short course at VPI, March 1-3.

Feeding, disease and parasite control, selection, and general management practices for sheep and beef cattle will be discussed by leading farmers, representatives of breed associations, and members of the VPI staff.

The short course is sponsored by the VPI animal husbandry department, the Virginia Purebreed Sheep Breeders; Aberdeen-Angus, Hereford, and Beef Cattle Producers Associations.

Advance registrations are preferred. Fee is $5. Application and registration should be sent to C. C. Mast, Animal Husbandman, VPI Agricultural Extension Service, Blacksburg, Va.
